The programme encompasses various facets of contemporary Industrial, Business, and Social Issues in *Operations and Supply Chain Management, Analytics and Data Science, Organizational Behaviour & Human Resource Management, Marketing, Finance, Economics & Strategy, and Sustainability Management.*

The programme admits regular candidates from Academic Institutions, Universities, Government, industry, and other organizations. IIM, Mumbai invites individuals with strong academic foundation and zeal to pursue cutting-edge research.

1. Eligibility for Ph.D. Admission

Candidates must possess-

A master's degree or Two-year Post Graduate Diploma (obtained after completing a bachelor's degree with 55% marks or equivalent) or a 5-year Integrated master's degree (obtained after completing higher secondary school in the 10+2 pattern) in any field with 55% marks or equivalent.

(OR)

Professional qualification - CA, CS, CMA (with a minimum of 50% marks) in addition to a bachelor's degree (with at least 55% marks).

(OR)

A four-year / eight-semester bachelor's degree with a minimum CGPA of 6.5/10 or comparable grades.

Note that the Bachelor's/ Master's degree or equivalent qualification should be from any of the Universities incorporated by an act of the central or state legislature in India or other educational institutions established by an act of Parliament or declared to be deemed as a

University under section 3 of UGC Act, 1956; or be recognized by the Ministry of Education, Government of India; or possess an equivalent qualification from an institution approved by AICTE.

Candidates in their last year of a Master's/ bachelor's programme that would qualify them to apply may also apply. Such candidates, if selected, will only be allowed to join the programme provisionally if they submit a certificate latest by May 31, of the year of admission from the Principal/Head of the Department/Registrar or Director of the university/institute (issued on or before May 31, of the year of admission) stating that they have appeared for the examinations (including practical examinations) in all the subjects required for obtaining the Master's/Bachelor's degree/equivalent qualification. Their admission will be confirmed when they submit mark sheets and a certificate of having completed the Master's/bachelor's degree/equivalent qualification referred in the certificate issued by the Principal/Registrar of their college/institution. The deadline for submitting Marksheet and the Certificate is December 31, of the year of admission.

Please note that those candidates who have applied based on their master's degree will have to meet the 55% marks stipulation, and those who have applied based on their bachelor's degree will have to meet the 6.5 CGPA (or equivalent) marks stipulation. Non-fulfillment of these conditions will automatically result in the cancellation of the provisional admission.

Reservation: A relaxation of 5% marks or its equivalent grade may be allowed for those belonging to SC/ST/OBC (non-creamy layer)/Differently Abled, Economically Weaker Section (EWS) as per GoI rules.

2 SELECTION PROCESS

2.1 Selection Process

The selection of candidates for admission at IIM, Mumbai, is a three-step process. First, initial screening and shortlisting; second, written test, and third, Research Presentation and Personal Interview.

Candidates applying to the Ph.D. Programme are required to take the Common Admission Test (CAT) or a standard test in lieu of CAT. Candidates applying to the Ph.D. Programme in their Areas can take GRE/GMAT/UGC JRF/GATE in their areas in lieu of CAT.

The validity of the CAT and the other standard test scores are given in the following table. Note that the scores should be valid on the deadline for submission of the application form.

CAT	5 Years
GRE#	5 Years
GMAT#	5 Years
GATE	3 Years
UGC JRF	3 Years

Online GMAT/GRE (Take home) exam scores are not valid. Only test center-based GMAT/GRE scores are valid.

Alumni of all IIMs should also meet the standard test score requirements as mentioned above.

Candidates will be short-listed based on their performance in CAT or the standard test in lieu of CAT, academic background, and experience. The Ph.D. admission interviews will be held during March-April of the year of admission.

2.2 Initial Screening & Shortlisting

In this first step, candidates are screened from among the candidates:
