From the Director's Desk

I am immensely pleased to announce IIM Mumbai's two-year MBA-BPGP in Blended mode. This programme promises a unique learning journey, one that blends flexibility with academic rigor. It is designed to equip today's professionals with the tools they need to excel in an ever-evolving business landscape.

At IIM Mumbai, we have a sixty-year-old legacy of empowering leaders through cutting-edge education and innovative learning methodologies. Our Executive MBA programme is an extension of this legacy, designed specifically for working professionals who seek to enhance their skills while balancing their careers and personal commitments. We understand the demands of today's business world and have crafted a curriculum that is not only relevant but also future-focused. The programme envisions enhancing the strategic and leadership capabilities of the participants required to navigate complex business environments.

This programme combines the best of both worlds—online flexibility and the richness of in-person learning experiences. Participants will interact with a diverse cohort of professionals, faculty with profound industry insights, and thought leaders who will help them broaden their perspectives and expand their professional network. The programme is structured to enable professionals to push their boundaries and equip them with actionable skills with immediate applicability in the workplace.

We believe that learning is a lifelong process, and this Executive MBA is more than just a degree—it is a pathway to becoming a dynamic, responsible, and innovative leader. As you embark on this transformative journey, I would like to personally congratulate you for taking this first step and for showing your interest in M Mashal's Executive MBA programme. We look forward to supporting you in achieving your aspirations.

Best Wishes,
Dr. Manoj Kumar Tiwari
Director, IIM Mumbai

► CAMPUS IMMERSION & CAPSTONE PROGRAMME

Campus Immersion

The Campus Immersion Programme at IIM Mumbai is designed to enhance the executive MBA (MBA-BPGP) experience by providing students with direct interaction with faculty and peers. The programme consists of two immersions one week each, the first occurring during Module 4 and the second after completing the course in Module 8. Each immersion carries 3 credits and is mandatory for all students. The student must make their own arrangements for the travel, food, and accommodation. Students are encouraged to participate in both immersions to maximize their learning and networking opportunities.

Key Activities during the Immersion Programme:

- Group project title, team, and faculty mentor finalisation
- Capstone project process initialization
- Case study competition
- Role-plays, Outdoor learning activities
- Faculty interactions and Sessions by experts
- Alumni/Corporate interaction

Campus Immersion

The Capstone Project is designed to enhance students' self-learning and multidisciplinary problem-solving skills by addressing real-life business challenges. It focuses on developing essential project management concepts, including project planning, time management, and the multidisciplinary nature of business problems.

Evaluation Criteria: Students will be assessed based on:

- Problem identification and description
- Literature review
- Problem-solving approach/methodology
- Results and demonstrations
- Presentation and project report preparation

Each student is required to submit a soft copy of the project report to the Institute. Although the formal evaluation occurs in Module 7 for six credits, students should begin identifying their problems and seeking guidance during the first immersion or by the end of Module 5. Faculty guides will evaluate the Capstone projects.
