DIRECTOR'S MESSAGE

In an era defined by rapid technological advancement and evolving business paradigms, IIM Mumbai remains committed to developing leaders who can navigate complexity, drive innovation, and create sustainable impact. Building on our strengths in operational excellence, we continue to enhance capabilities in Artificial Intelligence, Data Analytics, Digital Transformation, and technology-enabled decision-making.

The Batch of 2026 has demonstrated exceptional readiness to meet these challenges. Equipped with strong foundations in management, analytics, operations, technology, and strategic thinking, our students have consistently showcased their ability to solve complex business problems and create value across industries.

As AI continues to transform industries, human judgment, creativity, and ethical leadership remain critical. At IIM Mumbai, we are committed to developing leaders who can harness technological advancements to drive innovation and sustainable growth. The success of this placement season reflects the dedication of our students, the support of our faculty, and the trust of our recruiters and alumni. I extend my sincere gratitude to all stakeholders for their continued partnership and contribution to our journey of excellence.

Prof. Manoj K Tiwari

Director, IIM Mumbai

About IIM Mumbai

IIM Mumbai (formerly NITIE), established by the Government of India with the support of UNDP and ILO, has a legacy of over six decades in shaping world-class management professionals. Ranked sixth in the NIRF 2025 rankings, the institute is recognized nationally for its academic excellence and industry-aligned curriculum.

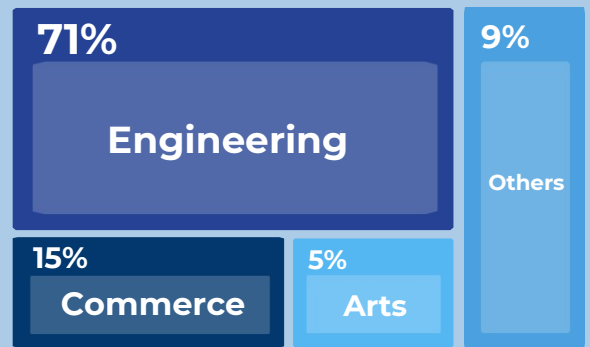

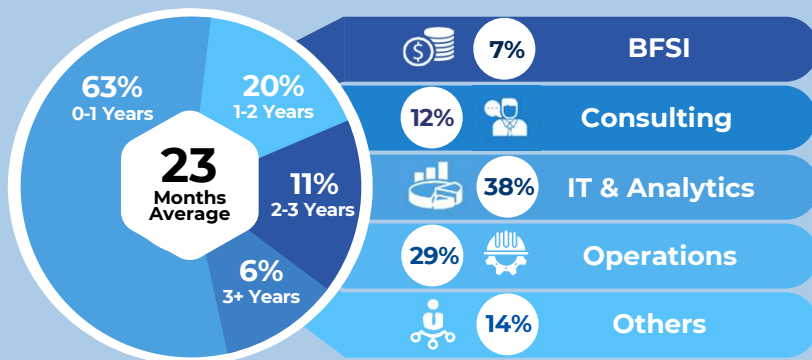

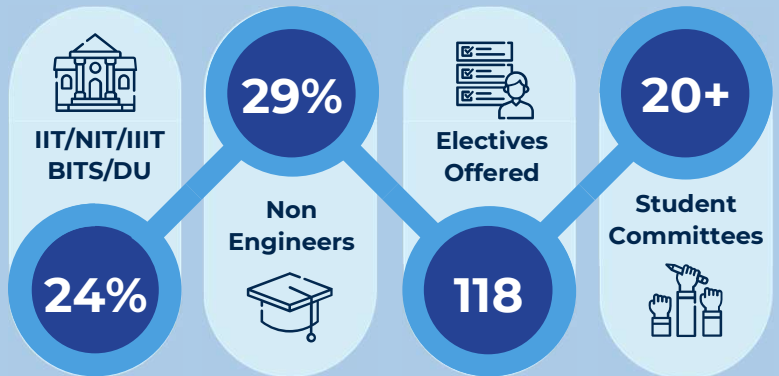

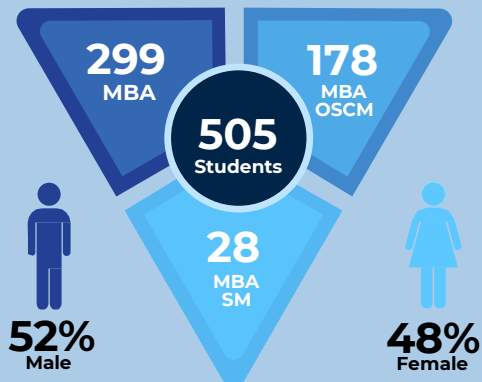

IIM Mumbai offers full-time, residential MBA programs in General Management, Operations & Supply Chain Management, and Sustainability Management. These programs are designed to equip students with strong analytical skills, leadership capabilities, and practical industry insights.

Located in Mumbai, the financial hub of India, the institute benefits from close engagement with leading corporates, ensuring a seamless blend of academic learning and real-world exposure. With its renowned faculty members, illustrious alumni, and talented students, IIM Mumbai fosters a collaborative and research-driven academic environment.

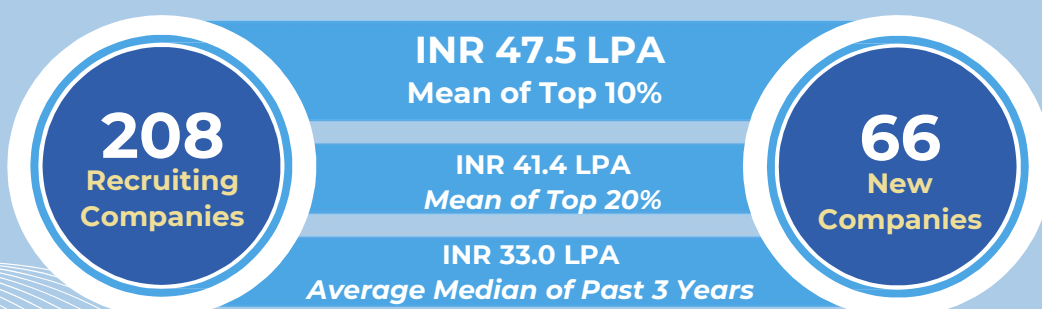

The institute also serves as a nodal center for the PM Gati Shakti initiative and hosts the Centre of Excellence in Logistics and Supply Chain Management, promoting applied research and industry outreach. Global partnerships with institutions across North America, South America, Europe, and Asia have further strengthened its academic offerings.
