

DIRECTOR'S MESSAGE

The transformation from NITIE to IIM Mumbai reflects a remarkable journey. Initially known for its industrial engineering heritage & traditional academic programs, this metamorphosis is poised to elevate the institution's stature nationally and globally. The shift underscores a transition from a singular focus on industrial engineering to a holistic approach that encompasses management, innovation, and leadership. Since its inception in 1963, IIM Mumbai has been at the forefront of preparing professionals for the industry, offering specialized training programs and targeted consulting services to tackle business challenges. The recent placement season for the Batch of 2024 and summer internships

Prof. Manoj K Tiwari

for the Batch of 2025 have highlighted IIM Mumbai's expanding business and industry ties, including a growing international exchange program. This has earned the institution a distinguished global reputation, attracting not only Indian businesses but also multinational corporations. IIM Mumbai values its professors and acknowledges the industry for its unwavering support and patronage.

ABOUT IIM MUMBAI

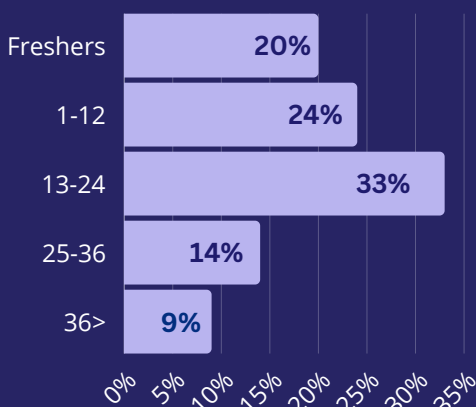

Indian Institute of Management Mumbai has a rich history of over six decades and has earned the prestigious distinction of being one of India's leading B-Schools. Recognized as the 7th best Management Institute by the National Institutional Ranking Framework (NIRF), it is committed to providing high-quality business education, which is benchmarked against the best global practices. The curriculum is designed to address the evolving challenges of management, incorporating industry best practices and insights. Situated in the financial capital of India, IIM Mumbai benefits from close ties with the leading corporate entities, which allows for a seam-

less integration of classroom learning with real-world experiences and insights. This ensures that students are not only equipped with theoretical knowledge but also practical skills necessary for success in the dynamic business landscape.

IIM Mumbai is dedicated to nurturing young professionals who can not only devise innovative solutions and strategies but also adeptly manage the technological advancements driving the business world forward. Through this, it aims to address the growing demand for skilled business leaders who can contribute significantly to the country's economic development.

SUMMER PLACEMENT HIGHLIGHTS

The variety of roles offered at IIM Mumbai is not only a testament to the popularity and success of its management program but also indicates its effectiveness. Regular recruiters at IIM Mumbai have shown their confidence in the quality of talent by offering more of their coveted roles in addition to their usual ones, which highlights the program's excellence.

The previous batch of IIM Mumbai students once again showcased their capabilities by securing a total of 170 Pre-Placement Offers from their summer internship organizations and through various B-school competitions. This exceptional performance demonstrates the strength of the candidates that the program is producing.

The Class of 2025 at IIM Mumbai is a diverse group of 480 students, including fresh graduates and seasoned professionals from a variety of engineering backgrounds from esteemed institutes like the IITs, NITs, BITS etc. This diverse blend of talent ensures a rich learning environment, which is a key factor in the program's success.

The placement season saw participation from companies across various sectors, including BFSI, Consulting, Education technology, E-Commerce, FMCG, Finance, Hospitality, IT, Logistics, Luxury Goods, Manufacturing Marketing, and Sales, Pharmaceutical. This broad range of industries underscores the program's relevance and adaptability in today's dynamic business environment.

A total of 165 companies participated in the summer internship placement drive, indicating strong industry interest in the program's graduates. The highest stipend reached INR 4.80 Lakh, reflecting the program's ability to attract high-paying job opportunities.

The average stipend for the top 10% of the batch was INR 4.43 Lakh, and for the top 20%, it was INR 4.10 Lakh. The average stipend for the entire batch was INR 2.27 Lakh, with 3.17 Lakh being the average stipend for female candidates which is a testament to the program's ability to produce highly sought-after talent.
