D.O. No.18-5/2022-TS.VII

Dear Amrit,

This is in reference to your communication dated 05th July, 2022 regarding development of National Logistic Policy (NLP).

2. In this context, National Institute of Industrial Engineering (NITIE), Mumbai, has been identified as the nodal hub for capability and capacity building in the operations, supply chain and logistics, to coordinate capability development programs with premier institutes of the country which are specifically addressing the objectives of PM Gati Shakti.

3. The Bhaskaracharya Institute for Space Applications and Geo-informatics (BISAG-N), Gandhinagar has been identified as the knowledge partner and they have been invited to demonstrate GIS geospatial technology which can supplement the content developed by NITIE. This will help in carrying out research, internship and projects.

4. As regard identification of 2 or 3 Universities/Institutions in each State for promoting courses in Logistic Sector is concerned, a list of such Institutions/Universities is attached for your reference. A workshop has also been conducted with the Directors of premier Institutions on 28.06.2022, promoting PM Gati Shakti Scheme and to urge the premier institutions of higher learning to devise and develop the interdisciplinary subjects, aligning with National Education Policy (NEP), 2020 and to take up meaningful training and research to enhance the capacity building of logistics sector.

5. AICTE as the regulatory body in the sector of technical education, is promoting Logistics industry related courses amongst the AICTE-approved institutions. They are also training faculty members/trainers on courses developed/identified under PM Gati Shakti by IITs, IIMs, as well as Sector Skill Councils through AICTE Training and Learning (ATAL) Academy.

I assure you of wholehearted support in this regard.

With regards

Yours sincerely,

(K. Sanjay Murthy)
