

INDIAN INSTITUTE OF MANAGEMENT, MUMBAI

(An Autonomous body under the Ministry of Education, Government of India, Vihar Lake Road, Mumbai 400087)

Applications for Research Associate for Applied Research Projects

Indian Institute of Management Mumbai, India, is inviting applications for the position of **Research Associate** to contribute to cutting-edge research, training, executive education, and related activities. The selected candidate would receive a monthly consolidated salary of up to INR 50,000 – INR 75,000 (commensurate with educational qualifications). The employment is purely temporary in nature. It may be extended based on the candidate's performance and the project's requirements.

Eligibility Criteria:

- B.Tech / M.Tech / Dual Degree / Equivalent Degree / Ph.D. in disciplines such as Computer Science, Mathematics, Statistics, Operations Research, Scientific Computing, or Industrial & System Engineering. Candidates from institutes ranked in the NIRF top 20 are preferred.
- Strong quantitative skills with proficiency in areas like Optimization, Data Analytics, Simulation, Data Science, Artificial Intelligence (AI), Generative AI, Robotic Process Automation (RPA), and Advanced/Operational Analytics.
- Advanced computational skills, particularly in Python/Julia, with applications in AI, Machine Learning (ML), and Deep Learning (DL), will be advantageous.

** Note: - The selected Research Associate will be bound by the NDA signed by IIM Mumbai with the industry for ensuring the confidentiality of information and data.*

Interested candidates are requested to fill in the application form:
