

Advt. No. ADMN/RECTT/FACULTY/2025/08

Date: 30.10.2025

FACULTY RECRUITMENT – ROLLING ADVERTISEMENT

IIM Mumbai erstwhile known as NITIE Mumbai was established by the Government of India in 1963. IIM Mumbai has been consistently ranked among the top B-schools in India. IIM Mumbai is ranked 6th in the National Institutional Ranking Framework (NIRF) rankings for 2025 among Management Institutes across India. IIM Mumbai is committed to creating skilled professionals in diverse functional areas like, Analytics, Economics & Finance, Marketing, OSCM, Sustainability Entrepreneurship and OBHR.

Located in the Financial Capital of the country, IIM Mumbai has close interactions with the leading corporate houses, giving it the added advantage of integrating classroom knowledge with relevant practical inputs from industry professionals. IIM Mumbai's picturesque campus is surrounded on three sides by lakes.

IIM Mumbai invites applications for faculty positions with strong academic background for the position of as Assistant Professor (Grade I & II) in the following broad areas:

Sr. No.	Area	Sr. No.	Area
1.	Analytics & Decision Science	5.	Marketing
2.	Economics & Strategy	6.	OBHR
3.	Entrepreneurship	7.	Public Policy
4.	Finance & Accounting		

ELIGIBILITY CRITERIA:

Qualification for the post: Ph.D. with First Class or equivalent at the preceding degree in the appropriate branch/specialization with excellent academic record throughout. The candidates should have a strong academic background and understanding of current developments in their field of expertise. Selected candidates are expected to teach across various programmes and publish high-quality research papers in leading academic journals. In addition, they are expected to contribute to academic administration from time to time as per the norms set by the Institute, engage in institution development, conduct training programmes and engage in consultancy work.

Sr. No.	Designation	Qualifications & Experience	Preferable Age Limit
1.	Assistant Professor (Grade-I)	Candidates should have a Ph.D. or equivalent with a brilliant academic background in appropriate area. Minimum three years of teaching/research/industrial experience (excluding the period of doing Ph.D.).	35 years
2.	Assistant Professor (Grade-II)	Candidates should have a Ph.D. or equivalent in appropriate area with a brilliant academic background. Experience, while desirable, is not essential. The candidate who has given the viva voce with the provisional award of Ph.D. may also apply. Candidates with publications in Quality Journals as mentioned above will be preferred.	35 years

Sr. No.	Name of Position	Academic Pay Level
1.	Assistant Professor (Grade-I)	Level 12: ₹ 1,01,500 – ₹1,67,400 with Entry Pay of ₹ 1,01,500
2.	Assistant Professor (Grade-II)	Level 10: ₹ 57,700 - ₹ 98,200 with Entry Pay of ₹ 84,700

- Assistant Professors (Grade – I) on completion of 3 years of service in the Academic Pay level 12 (₹ 1,01,500 – ₹ 1,67,400) shall move to Academic Pay Level 13A1 (₹ 1,31,400 – ₹ 2,04,700) and will, however, continue to be designated as Assistant Professor.
- Elevation of Assistant Professor (Grade - II) Level-10 to Assistant Professor (Grade-II) Level-11 to Assistant Professor (Grade-I) Level-12 will be done as per the IIM Mumbai Rules. If any faculty member, appointed at Academic Grade Pay Level-10 or Level-11, is not able to meet the criteria related to quality of teaching and publications, enough opportunity will be given to him/ her to improve during the probation period. However, if he/ she fails to meet the teaching and publication criteria during the probation period. He/ She services will be relieved from services as per IIM Mumbai Rules.
- Eligible candidates with less than the requisite experience may be considered for contractual Assistant Professor Grade II positions with appropriate pay as per GoI rules. Candidates appointed as Assistant Professor Grade II may be considered for a regular position of Assistant Professor Grade I after fulfilling necessary experience and subject to satisfactory performance as per Institute policy and GoI rules.

ALLOWANCES: The pay carries all allowances entitled to central government employees stationed at Mumbai. Such as Campus/Leased Accommodation, DA and HRA. Reimbursement of Telephone Bills, LTC, medical insurance, education allowance for children, contribution towards New Pension Scheme, faculty development allowance, financial support towards national and international conferences, etc. shall be permitted as per the Institute norms. Base salary shall be as per guidelines of the Ministry of Education (MoE) Government of India.

KEY CONSIDERATIONS:

- Publications in peer-reviewed Web of Science-Q1/Q2 journals within the subject category will be considered for research evidence. Preference will be given to candidates who have published their research work in Peer-Reviewed journals of high repute in their respective domains., for example, FT50, etc. *Candidates having publications in the FT50 journals are highly encouraged to apply.*
- Indian nationals working abroad may also apply. Qualifications prescribed for the posts will not be relaxed. However, experience may be relaxed in respect of exceptionally outstanding candidates with demonstrated evidence of proven work of academic value and high-quality research work published in top indexed Q1 journals.
- The application must include demonstrated research capabilities in terms of publications (or accepted for publication) in refereed Q1 Journals of repute having a high impact factor. Weightage will be given to journal papers published in Q1 journals with the ***candidate as the first author or communicating author***. The application must include Web of Science-Q1/Q2 indexed journal papers, the impact factor of all journal publications, and complete details such as the year of publication and communicating author. The candidate must also upload reprints of **THREE (3)** best papers published in Web of Science-Q1/Q2 Indexed journals and the application.
- Candidates with a proven track record of effectively applying AI, ML, Operations Research, Simulations, and Advanced Statistical Modeling techniques in their research within the specific domain will be given preference.
- Candidates should have demonstrated potential in research and teaching. Candidates must have a strong research record with publications in leading journals and should have demonstrated academic leadership. Highly cited work in management and good industry connections are highly valued.
- The candidates who applied during the last two years may highlight the substantial improvement in their CV since the last application.
- Candidates should have an excellent academic record, good communication skills, commitment to post-graduate teaching, and demonstrated ability to carry out original and creative research.
