ONLINE CERTIFICATE PROGRAMME
ON
PORT OPERATIONS & MANAGEMENT

5-Week Live Interactive Online Programme
(September- October 2023)

भारतीय विदेश व्यापार संस्थान
INDIAN INSTITUTE OF FOREIGN TRADE
(Deemed to be University)
Under Ministry of Commerce and Industry, Government of India

Introduction:

Ports are the lifelines of global commerce, facilitating the movement of goods and commodities across the world. With over 200 minor and 13 major ports, India's international trade heavily relies on efficient port operations. In this program, we delve into the critical aspects that drive port efficiency, focusing on the latest advancements, industry best practices, and emerging trends. This program has been carefully designed to equip you with essential knowledge and skills required to excel in the dynamic world of port management and international trade logistics & to provide a holistic understanding of the intricacies of port operations, international trade logistics, and risk management.

Course Objective:

- Define the role of Ports, including in a through transport context, and their features.
- Identify the interface of Ports with logistics and the position of ports in the supply chain.
- Analyse port performance and relevant quality and management systems.
- Understanding Logistics and Transport Documentation
- Describe the involvement of principal stakeholders in port management, port safety and port security (Unions, Customs etc.)
